# IRELAND. INVESTMENT RESIDENCY PROGRAM

Ireland is a beautiful and rich country in Western Europe known for its captivating landscape and cleansing air. Grasslands and pastures cover 80% of the island. It is surrounded by the ocean and borders with the UK. Ireland is one of the fastest growing economies in Europe and it is also one of the wealthiest countries in the world. Its geographical location, low tax rate and EU and Eurozone membership attract many international companies that want to gain access to Europe and North America including Apple, Google, Huawei, Intel, Microsoft, Dell. Thousands of the world's largest technology and innovation companies establish their European headquarters in Ireland. In addition to that, Ireland are attracting investors who want their children to have a better English education, high standard of living and investors with a strong interest in Business.
